

HOW TO SUBMIT PAPER CITSM 2020

Paper Submission

Paper Submissions

Prospective authors are encouraged to submit an or some original and unpublished papers that fulfilled through EasyChair account, follow the Guidelines

Paper Submissions

Prospective authors are encouraged to submit an or some original and unpublished papers that fulfilled these following guidelines:

- Papers should be written in readable and plain English and between 4 to 6 pages.
- Language: English is the working language of the conference. If English is not your native language, please have your papers read by a native English speaker, or seek online services of proof reading to improve the language of your papers. Please note that your paper is subject to further review and it may be rejected if it is deemed that English of your paper is not acceptable.
- Paper submission is done through the [EasyChair](#) system. If you already have an account for EasyChair just login with your existing account. If you don't have an EasyChair account you can register on the [EasyChair Registration Page](#) or during the paper submission process.

New Submission for CITSM2020

Follow the instructions, step by step, and then use the "Submit" button at the bottom of the form. The required fields are marked by *.

Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.
